The purpose of the Houston Independent School District School Board is to represent the vision and values of the community, and consistent with that, govern the administration of the Houston Independent School District in a manner that best allows for the improvement of academic outcomes for all the students we serve. The School Board must be able to do its work of governing, including deliberations and decision-making, in orderly meetings held open to the public.

In order to (i) ensure we can efficiently address the needs of our students, (ii) allow for necessary deliberations and discussions to occur, (iii) give all members of the public an opportunity to participate and observe the school board's meetings, and (iv) provide appropriate translation services for non-English speaking members of the HISD community, we will adhere to the following rules and norms:

- Public comment during School Board meetings will only be available to those persons who have signed up to speak prior to the meeting time per current protocol.
- Verbal and other disruptions by persons during the School Board meetings are not acceptable as they inhibit the board's ability to conduct business and the public's ability to observe those processes. Persons who participate in such behavior will be given one warning and if the behavior is repeated, they will be asked to leave the meeting.
- Seating in the board room is available on a first come, first served basis for all persons, including those who have signed up to speak during public comment. Overflow seating may be available, also on a first come, first served basis.

A member of the community wishing to address the board may do so in person or by live video via Zoom. For either method, a person who wishes to address the board must register with the Board Services Department by 12:00 p.m. the day before the meeting. Any supporting information (e.g., handouts) regarding the community member's concern shall be filed with Board Services by 12:00 p.m. the day before the meeting.
