Incentive and Innovation Programs	The Superintendent shall have authority to submit plans a applications for incentive and innovation programs to TEA granting organizations on behalf of the Board. Incentive paddress teacher eligibility, including any exclusions.	A or other	
Transformation of Policy Regarding Performance Pay and Differentiated Compensation	The District's greatest strength is its human capital. As su expectations are set for school leadership to inspire creating and innovative approaches that lead to instructional at tional excellence. These expectations create an instruction text that acknowledges that the personal, face-to-face co between teacher and student will always be the central e ucation. Changes in the District's structure, governance, cies underscore the importance of this relationship and m lesce to create an organizational culture that values emp who are results-oriented, talented, innovative thinkers wh increase student achievement and contribute to the refor- public education.	I leadership to inspire creative think- s that lead to instructional and opera- ctations create an instructional con- e personal, face-to-face contact will always be the central event in ed- ct's structure, governance, and poli- ce of this relationship and must coa- nal culture that values employees nted, innovative thinkers who strive to	
	Also, human capital reform measures must focus on high ards for recruitment and selection, job performance and o sation, and professional development and career plannin must provide employees a viable career path within the o tion.	compen- g and	
	Other locally developed incentive programs, if any, shall l dressed in the compensation plan of the District.	be ad-
